

Portsmouth Totems

Trueform are pleased to reveal that we have completed the first phase of delivery for the Portsmouth Legible City wayfinding signage. There was a total of 52 City Navigation Point Totems, 9 x Hotspot Interpretation Point Totems and 19 fingerposts completed in September 2013.

Trueform offer a turnkey solution to Wayfinding systems, offering design, manufacture, digital map printing and nationwide installation service for all wayfinding needs and requirements.

We also have a portfolio of architectural and wayfinding products which incorporate modular, bespoke and digital / interactive wayfinding signage.
